# Deep Learning Bootcamp 2018

## Tuesday 25 September 2018

**How does Deep Learning Work?: Neural Networks and Back-Propagation** - **Seminar Top Floor (09:30-12:00)**

    **-Conveners: Walter de Back; Sebastian Starke; Jeffrey Kelling**

| time | [id] title | presenter |
|------|-----------|-----------|
| 09:30 | [18] Feed Forward Networks | Dr DE BACK, Walter |
| 10:30 | Coffee Break | |
| 11:00 | [19] Back Propagation and Stochastic Gradient Descent | Mr RASUL, Kashif |

**How does Deep Learning Work?** - **Seminar Top Floor (13:00-18:00)**

| time | [id] title | presenter |
|------|-----------|-----------|
| 13:00 | [23] Lightning talks | |
| 13:30 | [3] Convolutional Neural Networks | Mr KELLING, Jeffrey |
| 14:30 | Coffee Break | |

# Wednesday 26 September 2018

**How does Deep Learning Work? - Seminar Top Floor (09:00-12:00)**

| time | [id] title | presenter |
| --- | --- | --- |
| 09:00 | [2] Regularization / Batch Normalization | Mr STARKE, Sebastian |
| 10:00 | [1] Advanced Optimization | Mr RASUL, Kashif |
| 10:30 | Coffee Break | |
| 11:00 | [4] CNN Architectures | Mr RASUL, Kashif |
