

# **Code Parallelization with Python**

## **Report of Contributions**

Contribution ID : 1

Type : **not specified**

# Introduction

*Wednesday, 26 June 2019 13:15 (15)*

Contribution ID : 2

Type : **not specified**

## Finding the Bottleneck

*Wednesday, 26 June 2019 13:30 (60)*

Contribution ID : 3

Type : **not specified**

## **Shared-memory parallelisation with multiprocessing**

*Wednesday, 26 June 2019 14:30 (60)*

includes a break

Contribution ID : 4

Type : **not specified**

## **Distributed Memory Parallelisation with mpi4py**

*Wednesday, 26 June 2019 15:30 (30)*

Contribution ID : 5

Type : **not specified**

## **Big Data and Beyond with dask**

*Wednesday, 26 June 2019 16:00 (60)*

includes a break
